& SOUL**
2018

**A FESTIVAL OF SURPRISES
SUMMER SOLSTICE WEEKEND**
BALLINLOUGH CASTLE, CO. WESTMEATH
BODYANDSOUL.IE / #BODYSOUL18

LICENSING AND COMPLIANCE ADMINISTRATOR

The Body&Soul Licensing and Compliance Administrator is part of the Body&Soul Festival team both in the lead up to the Festival and onsite. Since 2010 The Body&Soul Festival has run annually in the grounds of Ballinlough Castle, Co. Westmeath, growing in size each year to a planned 15,000 when it will take place next on Summer Solstice in 2018.

The Body & Soul Licensing and Compliance (LC) Administrator is directed by the Operations Manager and the Event Controller to support the delivery of a safe, well-managed and meticulously planned event in line with best practice and all statutory obligations.

Reports to: Operations Manager

Key Liaison with: Festival Director, General Manager, Head of Security, Event Controller, Site Manager, Volunteers Manager, Trader Manager, Bars Manager, Technical Production Manager, Programme Manager, Decor Manager.

ROLE SPECIFICATION

Responsibility includes:

Communications

- Ensuring a good chain of communications between the Event Controller and Operations Manager
- Ensuring strong communications between Body&Soul in-house event management team (General Manager, Operations Manager, Build Manager, Volunteers Manager, Traders Manager, Bars Manager, Technical Production Manager, Programme Manager, and the Art and Décor Manager), and external Event Control-related Service Providers; Medical Provision, Security, Water Safety, An Garda Síochána, Fire Safety Consultants, Noise Monitoring Specialists, Event Safety Officer, Occupational Safety Officer
- The administration around the submission of the licence application and associated documents for the event to the local authorities
- The administration around the submission of the road closure application
- Submitting newspaper notifications, as directed, as part of licence application process
- Tracking changes as they are occurring, update relevant files and online databases and inform relevant departments and individuals
- Act as single point of information transfer to ensure consistency and continuity
- Ensuring an efficient and well-managed chain of communications, with regard to licensing conditions, between the relevant Body&Soul department heads during the planning of the event
- Disseminate briefing documents, as drafted by the Event Controller, for all staff including Zone Manager handbooks, staff handbooks and stage managers / venue managers briefing docs, including maps for onsite orientation

- Assist in the contracting of event control / licensing-related service providers
- Evaluation and reporting post-festival, providing clear recommendations of lessons learnt, and recommendations for improvements

Administration

- File and schedule management on behalf of the Event Controller
- Gather required information for the draft through to the final Event Management Plan and other related documents as requested
- Ensure Event Control File and Documents are kept up to date
- Ensuring meaningful and effective use of time ie. Agenda for meetings, keeping on topic, minuting, following up with post meeting email, with action points and deadlines for all relevant parties
- All administration in relation to event security schedule, under the guidance of the Event Controller, Operations Manager and Head of Security.
- Review and update Traffic Management Plan for 2018, in consultation with the Event Controller, the Operations Manager and An Garda Siochana, car park management teams and bus providers

Health & Safety

- Liaison with Health and Safety Teams – Event Safety Officer / Fire Safety Officer and Occupational Safety Officer
- Oversee H&S Intern in relation to document collation for all participants at the event
- Management of safety file
- Coordination of onsite H&S management systems
- Submission of documentation to Festival Republic for ancillary Body&Soul shows as required, being the Latitude Festival in Suffolk, UK and the Electric Picnic in Stradbally Co. Laois.

Resident Liaison

- Assist resident liaison and attend consultation meetings

Onsite

- Event Control logging
